

Night, night, night

What a happy

And what a lovely sight

Max will have a lovely home

And Rose will have more

Night, night, night

What a happy night

And what a lovely sight

NY

and NY mice

Can be good friends at last!

If problems come your way

With your friends you'll be ok

Humans can give you love

If they open up their

Night, night, night

What a happy

And what a lovely sight

Max will have a lovely home

And Rose will have more love

Night, night, night

What a happy

And what a lovely sight

NY cats and NY

Can really be friends at last!
