

A vibrant blue banner featuring a collage of nanotechnology-related icons. On the left, a hand uses a pipette to add liquid to test tubes, with a beaker nearby. A hand with a ring is shown in the center. To the right, a brain is connected to a laptop by three lines, with a gear icon above it. Further right, a large eye is depicted with a sensor and green signal waves. At the bottom right, a person's torso is shown with a heart icon and a hand holding a tablet displaying a heart scan. The banner is decorated with various molecular structures, DNA helices, and binary code (101011, 011011, 101101). The word "NANOTECHNOLOGY" is prominently displayed at the top in white, with a "READ MORE" button below it. The text "Lorem ipsum dolor sit amet, consectetur adipiscing elit." is written in a smaller font. The "LIVEWORKSHEETS" logo is visible in the bottom right corner.

A vibrant blue banner featuring a collage of nanotechnology-related icons. On the left, a hand uses a pipette to add liquid to test tubes, with a beaker nearby. A hand with a ring is also shown. In the center, a brain is connected to a laptop by three lines (green, red, black), with a gear and binary code (101011, 011011, 101101) nearby. To the right, a large eye is shown with a sensor emitting green waves. Below the eye, a person's torso is shown with a heart and a thermometer. On the far right, a person holds a tablet displaying a heart diagram. Various other icons include a DNA helix, a molecular structure, a gear, and a pill capsule. The text "NANOTECHNOLOGY" is at the top center, followed by "Lorem ipsum dolor sit amet, consectetur adipiscing elit." and a "READ MORE" button. The "LIVEWORKSHEETS" logo is at the bottom right.
