

№1 Fill in the gaps with the words

cars | country | forest | fresh | city | hotel | movie theater | shop | old | river | field | cafe

City Mouse lives in the ___. "There are too many people and ___ here. I want some ___ air! I can visit my cousin, Country Mouse," he says.

City Mouse flies to the ___. Country Mouse runs to him. "Hello, City Mouse! Welcome to my home!" "Thanks, Country Mouse!" says City Mouse. "I'm hungry. What's for dinner?"

They go to the ___ and eat some corn. Then they go to the ___ and eat some berries. "This food is okay, but it's too plain for me!" says City Mouse.

It's bedtime and they're tired. They sleep in an ___ small house.

The next morning, they walk to the ___. "The country is okay, but it's too boring for me," says City Mouse. "Come with me to the city! It's interesting there." "OK," says Country Mouse.

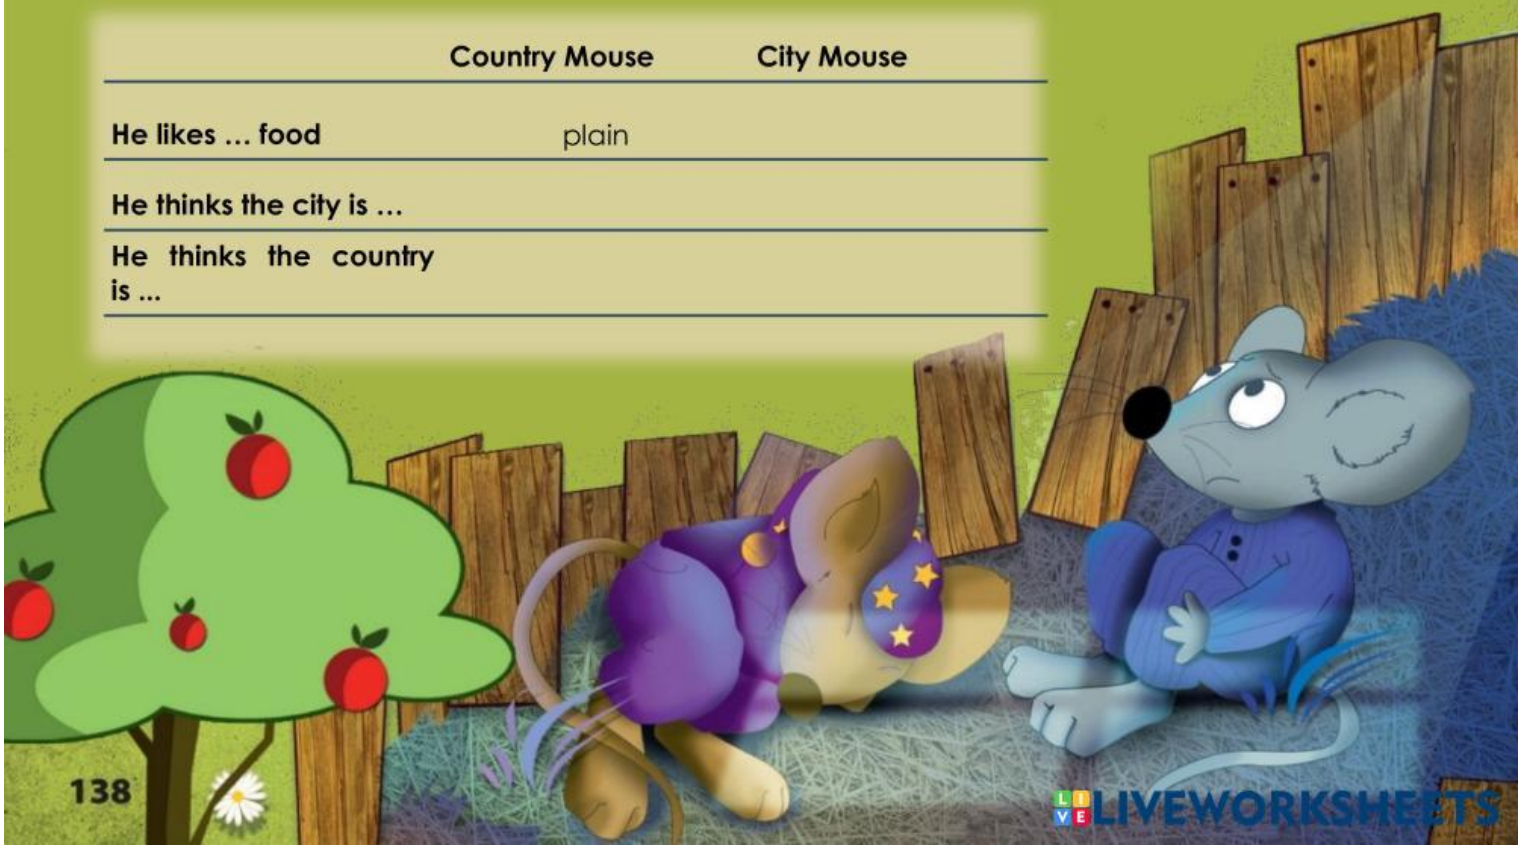

City Mouse and Country Mouse take a train to the city. They go to a ___, a big ___, and a ___. They eat cheese and cookies. "This food is okay, but it's too fancy for me," says Country Mouse.

It's bedtime and they're tired. They sleep in a new ____.

The next morning, they hear a loud noise. "Cats! Run!" says City Mouse. City Mouse and Country Mouse run and run until they are safe. "The city is okay, but it's too dangerous for me!" says Country Mouse. "Come with me to the country. It's safe there." "No, the country is good for you, and the city is good for me," says City Mouse. The two mice say goodbye and go home happy.

№2 Read the text again and fill in the table

	Country Mouse	City Mouse
He likes ... food	plain	
He thinks the city is ...		
He thinks the country is ...
