2 Complete the text with *who, which, that* or –. More than one answer is possible.

Jack Randall is an adventure lover [1] _____ works with wild animals. He's a *zoologist*, which means he's a person [2] _____ studies and works with animals. He has a passion for reptiles – animals [3] _____ are born from eggs and have a hard skin, like snakes, turtles or, in the past, dinosaurs. He makes videos about snakes and other animals [4] _____ people are often afraid of, and he puts them on YouTube every week. He also visits places [5] _____ are difficult to get to, such as the deserts in Australia's Northern Territory. He loves filming the animals [6] _____ people don't often see.

Listening words that show a change; multiple choice with picture options

1 Read the Exam Reminder. In a conversation, what words do speakers use to show a change?

_____

Exam REMINDER

Words that show a change

- In a listening task, people often give different opinions or talk about different options.
- *But* often shows a change, e.g. *I was a nurse, but now I'm a teacher.*
- *Sorry* and *actually* may show a change or correct something, e.g. **A:** *The film starts at 3 p.m.* **B:** *Actually, it starts at 4 p.m.*

2 9.1 Listen and complete the Exam Task.
