

MY SCHOOL SUBJECTS

2. Put the number of the sentence in the right square:

	
	
	
	
	
	
	
	

HISTORY MATHS CHEMISTRY GEOGRAPHY
 ENGLISH MUSIC BIOLOGY PE
 ICT ART and CRAFTS RE POLISH SPANISH
 PHYSICS FOREIGN LANGUAGES

1. Fill in the blanks with the correct school subject.

1. I love learning about different countries and continents.

2. We listen to Mozart, Beethoven and other composers' works

3. The teacher tells us about ancient and modern civilizations, too.

4. We play sport and do exercises

5. We use computers

6. You learn everything about your mother tongue.

7. I don't like numbers much

8. We learn the language people from the UK speak

9. We go to the lab

10. You learn interesting things about animals and plants or how the human body works

11. It's an optional subject in my country: you learn about God.

12. We paint and draw or we make artistic projects.

13. We learn about different things such as gravitation, nuclear power, matter, notion and power. Albert Einstein knew a lot about this subject.

14. All the languages we learn at school, but not my mother tongue.

15. We use Collega 3 to learn this language.
