APPEARANCE & PERSONALITY

Look like Be like

Read the following conversations.

Conversation 1

A: Have you met our new classmate?

B: Yes. I met her by chance in the teacher's room yesterday.

A: **What does she look like?**

B: Oh, she's pretty! And lot taller than me. She has blue eyes and long blonde hair.

A: Hmm... I'm sure she looks just like Elsa!

Conversation 2

A: Have you met our new classmate?

B: Yes. I met her by chance in the teacher's room yesterday.

A: **What is she like?**

B: Oh, I guess she is friendly and cheerful. She was smiling and laughing while talking to our teacher. Also, she didn't look shy to say hello to me.

EXERCISE 3

What are they like? Read the dialogue and complete the sentences using the personality adjectives that best describe people A and B mentioned.

On the phone

A : How's your new school? Have you made any new friends?

B : It's going pretty well. We're doing a science project in groups. So, I had a chance to get to know some classmates more.

A : What are they like?

B : Well, the person I feel comfortable with is **Catherine**. She's nice and she gets along well with everyone.

A : I see. She is _____.

B : Right. And she likes to speak out. She doesn't hesitate to express her opinions and she also listens to other people.

A : Great! She is _____ and _____.

B : But I find it hard to talk to a guy called **Eddie**.

A : Why? Was he bullying you?

B : No! No, it's not like that. But it seems like he doesn't share what he has or what he knows with friends. He normally doesn't care for anyone.

A : That sounds like he is _____.

B : I don't know. Let me get to know him a bit more. Also, Eddie likes to be alone and finish everything on his own. He wants to make a decision by himself.

A : Well... Let's say he is _____.
