## 4a 100% identical?

## 100% IDENTICAL?

▶ 39

Identical twins have the same eyes and the same hair, but do they like doing the same things? What do they do in their free time?

### THE MULGRAY TWINS

Morna and Helen Mulgray are seventy-seven years old. They love books and they write crime books together. They live in the same house and they like the same free-time activities. They like gardening, and at the weekend, they go walking together.

### THE KITT TWINS

Camille and Kennerly Kitt are musicians and actors. They both play the same musical instrument, the harp. They do Taekwondo and they like swimming – together, of course.

### THE PHELPS TWINS

James and Oliver Phelps are actors and they are famous as the identical twins in the Harry Potter films. In their free time, they love playing golf and playing computer games. They like football but they don't like the same teams. Oliver is a fan of Aston Villa and James is a fan of Birmingham City.

**crime** (n) /kraɪm/ about people who do bad things and how the police find them  
**identical** (adj) /aɪ'dentɪkl/ exactly the same  
**twins** (n pl) /twɪnz/ two children born on the same day from the same mother

**2** Read the article about identical twins. Is the article about their work, their free time or both?

**3** Read the article again and complete the table with information about the twins.

	The Mulgray twins	The Kitt twins	The Phelps twins
Job?	<i>writers</i>		
Free-time activities?			<i>play golf</i>

**8** Look at the article again. Underline the sentences with *like/love* + a noun or an *-ing* form.
