

Activity 4

Ahmed and Mariam are learning about the **UAE's sustainability goals**.

Use the **internet** to match the goal with the correct definition.

S	Goal	Definition
T	7	Build strong industries that are innovative.
R	8	Make cities safe.
E	9	There are good working opportunities for all.
A	10	Production and consumption is sustainable.
M	11	Everyone has access to affordable modern energy.
	12	Let there be no inequality within countries.
