

Match each type of cyberbullying with its definition

WRITE THE CORRECT LETTER NEXT TO EACH DEFINITION

1. A sustained and constant pattern of hurtful or threatening online messages sent with the intention of doing harm to someone.
2. The act of leaving someone out deliberately, either online or in-person.
3. The act of openly revealing sensitive or personal information about someone without their consent for purposes of embarrassing or humiliating them.
4. Similar to outing, with an added element of deception, where the bully befriends their target and then shares their secrets and private information with others.
5. When a bully creates a made-up profile or identity online with the sole purpose of cyberbullying someone.
6. Seeking to intentionally upset others by posting inflammatory comments online.
7. A particularly serious form of cyberbullying that can extend to threats of physical harm to the victim.
8. Spreading cruel information about the victim through public posts or private messages to either ruin their reputation or relationships with other people.
9. When a bully uses your child's social networking accounts to post inappropriate content with their name.
10. Posting insults and profanity about or directly sending them to the victim to incite them into online fights.
