The Job Fair

Yesterday, lots of people [redacted] the school to tell us about their jobs. They all [redacted] in different places doing different things. There was a [redacted], an [redacted] a [redacted] and lots of other people.

First, I [redacted] to an [redacted]. She's got a very important job because she makes buildings and bridges safe. She [redacted] the bridge that I cross every morning on my way to school!

I [redacted] to the [redacted], but I didn't listen to the [redacted]. I didn't play the guitar with the [redacted], either. There wasn't time to do everything!

I [redacted] the [redacted] the best. She works for the news channel – I [redacted] her on TV last night. I want to be a [redacted] when I'm older.

Listen again and classify the verbs in past according to its sound.
