5a Think about your answers to these questions.

1 Clothes can sometimes tell us about a person's culture, but is it always right to make judgements about people based on how they look and what they wear? Why/Why not?

2 What prejudgements might people make about someone ...

- wearing a suit?
- with grey hair?
- who has tattoos?
- who has piercings?

Claim–Support–Question

5b Justify your ideas in 5a. To do this, follow these instructions.

1 Make a **claim** or statement saying clearly what you think.

2 **Support** your claim. Give some logical and coherent reasons for your claim.

3 Think of **questions** or doubts that others may have about your claim and be ready to answer them.
