ARIEL

I love going to my grandmother's country house by the lake. I usually go on holiday in June as soon as the school summer holiday starts. I can do so many interesting things there, such as walking or cycling near the lake. I usually stay with my grandmother for two months because my parents both work in summer. I also like staying there because it's cooler than in town. And nobody can cook as well as my grandma!

CLIVE

My family and I go away twice a year: once in summer and then in winter. We usually spend a week in a foreign city in July or August. It's fun and you can learn a lot of interesting things, but I get a bit tired sometimes. In winter we often go to the mountains because my father and I love skiing, but sometimes we have a beach holiday abroad. Last year, for example, we went to Mexico.

VICKY

This year I'm going to the south of France with my aunt and cousins. I enjoy holidays where you can learn something useful. I'm learning French at school, so I hope to practise it there. Last year I was on a farm in Ireland: I had to help the farmer with the animals, which was good fun. In return I could ride a horse every time I wanted to. I love horse riding and the natural world.
