

Beautiful things

Benson Boone

For a while there, it was rough
But lately, I've been doin' better
Than the last four cold Decembers
I recall

difficult

recently

remember

For some time

And I see my _____ every month
I found a girl my parents love
She'll come and _____ the night
And I think I might have it all

And I thank God every day
For the girl He **sent** / **send** my way
But I know the things He **give** / **gives** me
He can take away

And I hold you every night
And that's a feeling I wanna get used to
But there's no man as terrified
As the man who stands to lose you

scared

become accustomed to

risks losing you

want to

Oh, I hope I don't lose you

CHORUS

Please stay

I want you, I need you, oh God

Don't take

These beautiful things that I've got

REPEAT CHORUS

Please don't take

I found my mind, I _____ (feel) sane
It's been a while, but I _____ (find) my faith
If everything's good and it's great
Why _____ I sit and wait 'til it's gone?

Oh, I'll tell ya, I know I've got enough
I've got **piece** / **peace** and I've got love
But I'm up at night thinkin'
I just might **lose** / **loose** it all

CHORUS (2x)
