

READING

2. Read and mark (4) the activities at the camp, 5 points each.

WELCOME TO ADVENTURE

We are in the center of a large forest. Don't bring your computer and don't bring your books. At Adventure Camp, we do activities in nature.

We love taking walks in the forest and climbing trees. We eat very healthy snacks at the camp. We don't like playing board games, but we have a skateboarding park, so don't forget your helmet. Have a great time at our camp!
