

OVERCOMPENSATE

Welcome back to Trench
Welcome back to Trench
I created this world
To feel some control
Destroy it if I want
So I sing Sahlo Folina
Sahlo Folina
(Wait, what? Wait, what?)
(Wait, what? Wait, what?)

Earned my stripes, three _____ tracks in my Adidas track jacket
Bless your _____ holes while you react
Actin' gobsmacked, don't hesitate to maybe overcompensate
I feel like I was just _____, same twitchin' in my eyes
Don't _____ on a boy who can't fall asleep twice
In the same night and won't hesitate to maybe overcompensate
I said I fly by the _____ bend symbol (wait, what? Wait, what?)
Don't hesitate to maybe over compensate
And then by the time I catch in my peripheral (wait, what? Wait, what?)
Don't hesitate to maybe overcompensate
Where am I from? I was _____ right here, just now
Originated right in front of your eyes
If you can't see, I am Clancy
Prodigal son, done running, come up with Josh Dun
Wanted dead or _____
So now you pick who you serve
You bow to the masses
Get kicked to the curb
For passin' the classes

Half empty, half _____, save half for your taxes
Then overtake your former self
I fly by the dangerous bend _____ (wait, what? Wait, what?)
Don't hesitate to maybe over compensate
And then by the time I catch in my peripheral (wait, what? Wait, what?)
Don't hesitate to maybe overcompensate
Days feel like a _____ length
I don't need them any _____
But for goodness sake
Do the years seem way too short for my soul, corazón
Way too short for my soul, corazón
Days feel like a _____ length
I don't need them any _____
But for goodness sake
Do the years seem way too short for my soul, corazón
Way too short for my soul, corazón
Earned my stripes, three _____ tracks in my Adidas track jacket
Bless your _____ holes while you react
Actin' gobsmacked, don't hesitate to maybe overcompensate
I said I fly by the _____ bend symbol (wait, what? Wait, what?)
Don't hesitate to maybe over compensate
And then by the time I catch in my peripheral (wait, what? Wait, what?)
Don't hesitate to maybe overcompensate
