

Trip to the Zoo

When I was ten years old, I went to the zoo on my class trip. I
_____ think about it because I had such a wonderful time! My
_____ had to give me fifty dirhams so that I could go.

On the day of the trip, the teacher put us into small _____. We had
the most _____ day! We got to _____ about the lifecycles
and habitats of so many different animals. I was surprised that some
animals, such as penguins and polar bears, lived in _____ habitats.

My favourite part of the trip was when we saw the lions and _____.
Did you know that lions can _____ up to 250kg? The lions looked so
much bigger at the zoo than what I had imagined. The monkeys were really
entertaining to watch. The _____ monkey was enormous. He was
forty _____ old!

We used maps when we were at the zoo. We got around to all the animals
_____ because we are really good at reading maps!

I wish we could have spent _____ time at the zoo. We had a really
_____ day.
