Sharks – Imagine Dragons
L***evel:*** Start B / Elem. A

Cross Out

Trouble
Blood is in the rocky **rivers** / **waters**
Hide away your sons and **sons** / **daughters**
Eat you **alive** / **here**
Letters / **Levels**
Better put your head on swivels
Dancing with the very **devil** / **good**
Butter to knife

You think you're **better** / **best** than them
Better than **they** / **them**
You think they're **never** / **really** your friends
Really your **family** / **friends**
But when it comes to the **end** / **final**
To the **land** / **end**
You're just the same as **him** / **them**
Same as **them** / **they** (ha ha ha ha ha)

[Chorus]
So let it go, **let** / **get** it go
That's the way that it **does** / **goes**
First you're in, then you're **out** / **over**
Everybody **knows** / **searches**
You're hot, then you're **cool** / **cold**
You're a light in the **night** / **dark**
Just you wait and you'll **see** / **like**
That you're **dancin'** / **swimmin'** with sharks

He's comin' to get you
(Chick, chicka) woo, woo
He's comin' to get you, get
(Chicka) woo

Bubbles / **Levels**
Drownin', you're seein' **doubles** / **two**
Don't you let 'em see your struggles
Hiding your **tears** / **sea**
Crisis
Take advantage off your **happiness** / **niceness**
Cut you up in even slices
Prey / **Wake** on your fears

You think you're **better** / **best** than them
Better than **they** / **them**
You think they're **never** / **really** your friends
Really your **family** / **friends**
But when it comes to the **end** / **final**
To the **land** / **end**
You're just the same as **him** / **them**
Same as **them** / **they** (ha ha ha ha ha)

[Chorus]

[x4]
(My blood is pumping) he's comin' to get you
(Don't take it from me) woo, woo

Every time my heart is **beating** / **alone**,
I can feel the **space** / **recipe**
I wonder if my day is **watchin** / **coming,**
blame it on the entropy
My blood is pumping,
I can **see** / **be** the end is right in front of me
Don't take it from me,
I could be **everything** / **nothing**, everything

[Chorus]

[x4]
(My blood is pumping) he's comin' to get you
(Don't take it from me) woo, woo
