

## Activity 2

Match the design thinking stages with the descriptions. This will help you plan what you need to do to finish the project.

Stages	Description
Understand	What is the problem you are trying to solve?
Define	Creating a model of one or more of your ideas.
Ideate	Testing your ideas for feedback and making improvements.
Prototype	Who are you trying to help? What do they need?
Test	Brainstorm and come up with creative solutions.
