Listening Ex. > Memorable Trips

A. Listen to three people describing one holiday photo. Complete the chart below based on the recording.

	Photo 1 - Helen	Photo 2 - Matthew	Photo 3 - Tracy
Location			
Weather			
Elements in the photo			
Activities done			

B. Listen to the recording again. Choose the best answer (a-d) for each question.

1. What does Helen mean when she says, "reading books and not doing very much"?

a. She felt great because there was nothing else to do.
b. She was quite excited about having time to do what she liked.
c. She wanted to express her opinion about the photo.
d. She had a good time doing simple relaxing things.

2. Why does Matthew say, "for the rest of the day I had to do other things"?

a. He did not enjoy the castle as much as he expected.
b. His wife and he had to change their plans.
c. They both wanted to continue travelling around the countryside.
d. The castle closed early that day.

3. What does Tracy seem to feel about the weather?

a. She thinks it was a great time to go sightseeing around the island.
b. She really thinks the weather conditions were less than optimal to take photos.
c. She thinks people got out to have fun thanks to the temperature.
d. She thinks it could have changed at any moment.

4. What might these people say about their photos?

a. "These holidays could be better if weather had helped."
b. "It's cool to visit big cities and have fun with the family."
c. "This vacation really made me enjoy new things."
d. "I would like to come back there next year."
