

QUANTIFIERS

Read each sentence carefully. Decide if the quantifier used is correct. If it's incorrect, rewrite the sentence with the appropriate quantifier.

There is many sugar in my coffee.

She has a little siblings.

He spends much time playing video games.

We have several friends coming over for dinner.

I have many homework to do tonight.

There are few students in the classroom.

My cat eats some food every day.

They have much toys to play with.

There are many snow in the mountains.

PARTITIVES

Fill the gaps with the appropriate partitive expression (a glass of, a cup of, a jar of, a loaf of, a bottle of).

Could you please pass me _____ water?

She bought _____ bread from the bakery.

He ordered _____ coffee at the café.

She drank _____ orange juice with her breakfast.

They need to buy _____ honey from the store.
