Unit 11: Discovery and Invention

The fish that came back from the dead

Do you know what coelacanths are? They are fish _____ lived in the sea a long, long time ago. In fact, scientists used to think that they disappeared over 65 million years ago. But one day in 1938, Marjorie Courtenay-Latimer, a young woman _____ worked in a museum in a small town in South Africa, received _____ unexpected phone call. It was from a fisherman _____ was called Captain Hendrik Goosen. Marjorie immediately got a taxi and went straight down to _____ sea. There, in Captain Goosen's boat, she saw a very strange fish. Marjorie put the fish in the taxi, and took it back to _____ museum.

She contacted a friend, James Smith, a science teacher at a nearby university, and he immediately told her that it was a coelacanth. It soon became _____ most famous fish in the world! Scientists gave it the name *Latimeria chalumnae*, and the place _____ Marjorie first saw the fish is now known as Latimer's Landing.
