

# How many fruits?

Count and write the number of fruit you see.

Draw your favorite fruits in the last box and ask a friend to count them

|                                                                                                                                  |                                                                                                                                  |                                                                                                                                  |
