Student Status

Student Status *is a dating website for college students. Read Victor's profile on the website.*

My name's Victor and I'm 25 years old. I'm from Brasilia and I'm single. I'm majoring in business at Harvard University. It's really interesting and I love Boston. My mom and dad are English teachers for an online language school in Brazil – so my English is good. I want to work in Europe when I finish college – maybe at a travel company because traveling is my favorite thing to do.

People think that I'm a quiet person when I first meet them, but my best friends in Brasilia say that I'm very talkative! I don't like team sports very much, but I love running. I run with a running group from my school. The people in the group are really friendly, and we see new areas of Boston every week – Boston is a very beautiful city, but cold! I run most days, sometimes with the group and sometimes alone, and I try to eat lots of healthy food.

I live in a house with three other students. We go out to a restaurant together every Friday night. I enjoy trying new food and talking together. On the weekend, my three roommates like loud bars and clubs, but I prefer museums and cafés.

I have short black hair and brown eyes, and I'm slim because of all the running I do. Sometimes I have a beard, but I don't at the moment. I'm looking for a partner who is kind and funny. I'd like to meet someone who has the same interests as me.

Would you like to go on a date with me? If so, I'm waiting for your reply!
