Text 1 **A** **Read the notes.**

Mindy,

I'm in bed. I feel terrible. Please can you buy some tablets  for my headache? There's a pharmacy at the corner of West Street and King's Road. Go out of our building and turn right.

Thank you,
Mrs Wong

Mindy,

I took my trousers to the laundry for dry cleaning yesterday. I think the laundry will be closed when I get home. It closes at 9 p.m. Please could you pick up my trousers? You can find the receipt on the shoe cupboard. The laundry is on the ground floor of Tin Wa Building. That's the building opposite us. Go out of our building and walk straight across the road. The laundry is between a bakery and a learning centre.

Thanks,
Mr Wong

Hi Mindy,

Please can you return a T-shirt to New Look fashion boutique? The T-shirt and the receipt are in a bag on the sofa. The T-shirt is too small for me. If they have the same one in a large size, could you get it for me?

New Look is at the end of Church Street. Go out of our building and turn left. Walk straight ahead. Then turn left into Church Street. New Look is next to the convenience store.

See you later!

Beth

Hello Mindy,

I need some food to take to Cubs for our picnic tomorrow. Please can you get some fruit? I'll make a fruit salad after school. Mum says the fruit in the supermarket isn't very good. There's a greengrocer's on King's Road. It's opposite the clinic. Can you get a pineapple, some bananas and grapes?

Thanks a lot.

Mark
