

SEASONS IN BRITAIN

Read the following poem and do activities that follow:

January brings the snow, makes our feet and fingers glow.
February brings the rain, thaws the frozen lakes again.
March brings breezes loud and shrill, stirs the dancing daffodil.
April brings the primrose sweet, scatters daisies at our feet.
May brings flocks of pretty lambs, skipping by their fleecy dams.
June brings tulips, lilies, roses; fills the children's hands with posies.
Hot July brings cooling showers, apricots and gillyflowers.
August brings the sheaves of corn; then the harvest home is borne.
Warm September brings the fruit; sportsmen then begin to shoot.
Fresh October brings the pheasant; then to gather nuts is pleasant.
Dull November brings the blast; then the leaves are whirling fast,
Chill December brings the sleet, blazing fire and Christmas treat.
