

Read the text about Speedville and decide if the sentences are TRUE or FALSE.

In the small town of Speedville, there is a funny car race. There is a fast red sports car that everyone likes. It is new and very expensive. Next to it there is a slow, blue car. It is old and cheap but very good. There is also a small, ugly car that is not fast. It is bad and always comes last.

A beautiful, long American car joins the race. It is nice and shiny. Near the finish line, a new, small car tries to be fast, but it is too slow. Everyone cheers for the fast red car and the slow, good blue car.

In the end, the old blue car wins the race! It is a big surprise. Everyone in Speedville laughs and has a great day. They like the old, slow car the best!
