Hi Lina,

I'm spending my summer holiday in Hawaii. It has beautiful forests, beaches and mountains. The weather is quite hot in the morning, but there's always a wind near the beach. In the evening, it's really cold so people often make fires, sing songs and dance. It's very exciting.

I'm going to go swimming tomorrow. After that, I'll go shopping to buy you and my family some nice gifts. See you soon.

Jill
