

SPEAKING

Aspects to Evaluate

***Fluency:** Evaluate the candidate's ability to speak smoothly and continuously without frequent pauses or hesitations.

***Intonation and stress:** Evaluate the candidate's use of appropriate intonation and stress patterns to convey meaning effectively.

***Confidence:** Assess the candidate's level of confidence and comfort in speaking English.

***Cohesion and coherence:** Evaluate how well the candidate organizes ideas and connects them logically in speech.

***Grammar:** Assess the candidate's understanding and application of English grammar rules in spoken communication.

***Interaction:** Evaluate the candidate's ability to engage in interactive spoken communication, such as asking and answering questions or participating in a discussion.
