Compound nouns are sometimes formed with a number to make expressions of measurement. Change these phrases to make compound nouns, e.g. *a six-lane motorbike*

1. a plan which lasts for 10 years
2. a hotel with five starts
3. a budget worth three million dollars
4. a presentation that lasts 20 minutes
5. a contract worth 200,000 dollars
6. an industrial empire which is 150 years old
