

I am a person, I am not poor. You are also a person, you are not rich.

Are you happy?

Yes, I am.
I am happy everyday.

That sounds great.

My father is a billionaire.
We are wealthy.

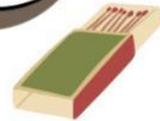

Is your mother a housewife?

Yes, she is.
How is your family?

My parents are not working now, because they are sick.

Are you eating everyday?

No, I am not.

He is lucky.

She is struggling.

We are all people.

They are the difference.

It is the wealth difference we want to fix.

We can do it together.

It is what we aim for.
