MY SCHOOL

Hi! My name is Anne and this is my new school. It's a big school for boys and girls. There are about **one hundred** students. Some of them aren't English. They are from different countries.

Upstairs, there are many classrooms, a lot of toilets and a library. The library has got **40 thousand** books. The computer room is next to the teacher's room where there are **thirty** computers. Downstairs, there is the canteen where students have lunch and the headmaster's office.

Outside, there is the gym. It's behind the school. In front of the school there is a courtyard and a garden with many flowers where students can play.
