

[Verse 1]

Words are flowing out like endless rain into a paper cup
They slither wildly as they slip away across the universe
Pools of sorrow, waves of joy are drifting through my opened mind
Possessing and caressing me

[Chorus]

Jai Guru Deva, Om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

[Verse 2]

Images of broken light which dance before me like
a million eyes
They call me on and on across the universe
Thoughts meander like a restless wind inside a
letter box
They tumble blindly as they make their way across
the universe

[Chorus]

Jai Guru Deva, Om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

[Verse 3]

Sounds of laughter, shades of life are ringing
through my open ears
Inciting and inviting me
Limitless undying love which shines around me like
a million suns
It calls me on and on across the universe
