Hi! My name's Peter, and I want to tell you about my vacation time. Every year during my summer vacation in July, and sometimes over the winter holidays in December, I travel with my mom and two sisters to Lake Tahoe, Nevada. Lake Tahoe is a beautiful place, surrounded by mountains and a lake. It has some of the best hiking trails and restaurants around!

On days when the weather isn't great, we don't go hiking or swimming. Instead, we enjoy staying indoors, playing board games, or watching movies. When the weather is perfect, you can walk along, sit at the park and dine at the cafés. Rainy or sunny, the local aquarium is a great place to visit in town.

I can't wait to return this summer and make more amazing memories!

1. There are four people in Peter's family. True / False

2. Peter's family goes to the same place each year.

True / False

3. Peter sometimes gets bored when the weather isn't nice. True / False

4. There are good places to sit outdoors and have something to eat. True / False
