

How to be top of the class

Do you want to do better at school? Get higher marks? Play for school teams? If you want to do these things and more, this book is for YOU!

With funny cartoons and easy-to-follow advice, this book will teach you:

- how to be an outstanding student — with tips on how to do homework faster and how to remember what you learn
- how to be fit and healthy — with advice on starting an exercise programme (and not quitting!) as well as easy recipes to make delicious, nutritious food
- how to organise your life — with ideas to save money and time

The authors of this book are all experts:

- Professor Lam works with new students at NT University and teaches them how to study
- Doctor Wong has been a children's doctor for twenty years
- Mr Taylor is the author of the popular kids' blog *Your future starts with you*

This book will change your life! Buy it now!

'Their first book *How to be a happy teenager* was very useful for my oldest son. I think this book is even better because it also has chapters for primary school pupils.'

M.K. Tan, parent

'This book is great. I'm going to tell all my students to read it.'

Miss Lau, secondary school teacher
