Act 3: Scene 1

Sleeping Beauty (SB) is asleep.

Narrator: The princes looked everywhere for the princess.
She slept and slept in her lovely pink dress.
Their journey took a long, long time.
With rivers to swim and mountains to climb.
At last …

Enter Prince Alan (PA), Prince John (PJ) and Prince Robert (PR). They run over to Sleeping Beauty. She wakes up.

All Princes: I'm here to rescue you! Will you marry me?

SB : Yuck! What's that disgusting smell? Wait, I know you three. We went to school together. Prince Alan, your hair looks awful. How often do you wash it?

PA : Erm, I wash my hair once a week.

SB : Yuck! You ought to wash your hair three times a week. And Prince John, you stink! How often do you have a bath?

PJ : I … er, um … I have a bath on the first day of every month. And I change my clothes twice a month.

SB : Urgh! You ought to have a bath and change your clothes once a day. But I think you're cleaner than Prince Robert. He has the smelliest feet in the world! Robert, how often do you change your socks?

PR : I change my socks twice a week and I wash my sports shoes once a year. I think my feet smell OK.

SB : *(loudly)* Pooh!

PA : So, Princess, are you going to marry me?

PJ : No, marry me!

PR : Me!

SB : *(angrily)* No way! You're all disgusting. *(pointing at the door)* You can leave right now. I'm going back to sleep! Good night!

Exit Princes, sadly.

Narrator : So Sleeping Beauty has another rest.
Maybe the next prince will pass her test.
Let's hope he's clean, tidy and neat.
And like a rose, I hope he smells sweet!
