This is my kitchen. It is small and cozy. There is a big, round table in the middle. The table is made of wood. On the table, there is a red bowl. The bowl is full of fresh, green apples. Next to the table, there is a tall, white fridge. Above the fridge, there is a blue cupboard. The cupboard is full of clean, white plates. On the counter, there is a shiny, silver toaster. The toaster makes the bread hot and crispy. In the corner, there is a large, black stove. The stove is large and very clean. I like my kitchen. It is bright and nice.
