## Wisse vergelijkt

### ① Meer, minder of evenveel? Kleur het vak.

|               |      |             |
|---------------|------|-------------|
|               |      |             |
| minder dan 40 | = 40 | meer dan 40 |

|               |      |             |
|---------------|------|-------------|
|               |      |             |
| minder dan 90 | = 90 | meer dan 90 |

|               |      |             |
|---------------|------|-------------|
|               |      |             |
| minder dan 70 | = 70 | meer dan 70 |

### ② Hoeveel? Vul de getallen en <, > of = in.

|                      |                      |
|----------------------|----------------------|
|                      |                      |
| <input type="text"/> | <input type="text"/> |

|                      |                      |
|----------------------|----------------------|
|                      |                      |
| <input type="text"/> | <input type="text"/> |

### ③ Kleur meer dan 70 geel, minder dan 70 blauw, evenveel als 70 rood.

|    |     |    |    |    |    |    |    |
|----|-----|----|----|----|----|----|----|
| 70 | 90  | 40 | 50 | 70 | 30 | 20 | 90 |
| 80 | 100 | 10 | 60 | 40 | 90 | 80 | 30 |

④ Vul >, <, = of een getal in.

|    |   |     |     |   |    |    |   |    |
|----|---|-----|-----|---|----|----|---|----|
| 50 |   | 70  | 100 |   | 10 |    | < | 30 |
| 20 |   | 80  | 5T  |   | 4T | 80 | < |    |
|    | > | 70  |     | = |    |    | > | 3T |
|    | = | 100 | 7T  | > |    | 80 |   | 8T |
| 10 |   | 30  | 100 | > |    | 4T | < |    |
| 90 |   | 40  | 80  |   | 60 | 20 | < |    |
|    | < | 50  |     | > | 10 | 1T | > |    |
|    | < | 30  | 7T  |   | 6T | 30 |   | 5T |

⑤ Schrijf alle gepaste tientallen in de dozen.

minder dan 60

meer dan 30
