(1) \_\_\_\_\_ He was so determined to finish quickly that he forgot to put sunscreen on or a hat, and by the time he had finished with the tents, he was as red as a tomato. That evening, with my father resting in the tent, my mother, sister and I decided to make the campfire. I collected the firewood from the forest and my sister cleared the area outside the tent for the fire. When I had collected enough wood, I decided to light the fire. I looked around for the matches, but I couldn't find any. It is important to always be prepared on camping trips!

With the fire lit, we enjoyed a delicious meal of grilled meat followed by toasted marshmallows and enjoyed the breathtaking view of the night sky. (4) \_\_\_\_\_

The next day we all rode our bikes to the village to get supplies. In the evening we played board games and talked around the fire. I was responsible for the campfire every evening and by the end of the week, I had become a real expert!
