

Read and write **T** (for True) and **F** (for False). Correct the false statements.

- My name's Ambar. I'm 14 years old. I live in Iruya. It's a small town in Jujuy, a province in Argentina. I live in the mountains; mountains are very colourful here. They are impressive! I've got two siblings, Bautista and Delfina.
- My brother is 16 and my sister is 6. We are very different. I've got straight long hair but my brother and sister have got curly hair. They are similar to my dad and I look like my mum. We go to school in the morning. We live near the school, just three blocks away! We go on foot.
- After school, I do homework or meet friends. We usually talk a lot and play for hours!

1 Ambar doesn't live in the city.

2 She has got three siblings.

3 She is similar to her siblings.

4 She lives far from the school.

5 She has fun with her friends.
