

Chapter 13

Comic's Characters

Write the names of the following comic characters with the help of **help card** :

1 She is the world's most well-known female superhero. She is based on the Amazons of Greek mythology. She was created by William Moulton Marston as a distinctly feminist role model whose mission was to bring the Amazon ideals of love and peace.

_____

2 He had mastered the martial arts of American-style boxing and judo, and had combined these disciplines with his own unique hand-to-hand style of combat.

_____

3 He subsequently appeared in various radio serials, television programs, films, newspaper strips and video games. With the success of his adventures, Superman helped to create the superhero genre. He was created by Jerry Seigel.

_____

4 One of several powerful ancient beings who dwell in a magical realm called Asgard, he boasts a relatively cool costume and a magic special hammer. A perennial member of the Avengers, he can summon the elements of the storm (lightning; rain; wind; snow), and after Odin's death, he inherited his father's awesome power.

_____

5 He created a powered suit of armour to save his life and escape captivity. Tony would later use the suit to protect the world as the invincible man, a modern day knight in high-tech armour.

_____
