

Choose the correct option below :

1. You have sprained your foot while playing football in school.

- Start crying in pain.
- Apply ice pack and muscular relaxant.
- Run to the infirmary in your school.

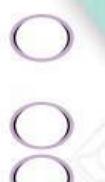

2. A person is bleeding profusely.

- Wash the skin around the cut with an antiseptic solution and clean with running water using cotton.
- Give him/her whatever medicine is in the house.
- Leave him/her bleeding.

3. A person is bitten by a dog.

- Wait for the doctor to examine him/her.
- Wash the wound thoroughly with running water and cover it with a clean dressing.
- Cover the wound with any cloth or handkerchief.

4. Someone has fainted.

- Sprinkle water on his/her face and head.
- Leave him/her and run to call the doctor.
- Wait for an elder to come and see him/her.

5. A foreign particle has entered your friend's eye while playing in the park.

- Rub his/her eye.
- Use a cotton swab or cloth to remove the particle.
- Rinse the eye gently to let the particle flush out.
