Student's Name:

Score:

Objectives:

At the end of this task, SWBAT:

- Improve their writing skills by writing a short narrative story focusing on the topic "environment".
- Utilize provided verbs and expand their use to enhance the flow and clarity of their written story.
- Develop main ideas and supporting ideas for paragraphs.

1

Look at the sequence of images below. Take time to look carefully at each image and think about what is happening in each scene. Reflect on how the scenes are connected and what story they tell. Pay close attention to the verbs below the pictures, you will use them in the second part of this task.

1- Clean

2- Collect

3- Sort

4- Transport

5- Enjoy

2

Use the images to write a story with five short paragraphs. Each paragraph should correspond to an image in the sequence. Make sure you use the verbs that accompany each image to describe the action. Be sure that your story follows the sequence of events depicted in the pictures, making sure that it flows smoothly from one paragraph to the next with fluidity and naturalness. Pay attention to your grammar, spelling and punctuation.

1. (Clean)

2. (Collect)

3. (Sort)

4. (Transport)

5. (Enjoy)
