He started playing the piano at six and soon developed an \_\_\_\_\_<sup>1</sup> ability to memorise and perform new musical pieces. At 11, he took part in the UK's Young Musician of the Year competition. Although he didn't win, he received many \_\_\_\_\_<sup>2</sup> reviews and was voted the audience's favourite on the competition's website. He also secured a recording deal with the record company EMI.

The island has something for everyone, but the \_\_\_\_\_<sup>1</sup> west coast is the perfect \_\_\_\_\_<sup>2</sup> for people who love water sports, such as water-skiing and wind-surfing. For those who prefer a more relaxing holiday, there are beaches of fine, white sand, facing the calm Caribbean Sea and also an \_\_\_\_\_<sup>3</sup> selection of restaurants, where the local seafood is \_\_\_\_\_<sup>4</sup> recommended.

Among the many other \_\_\_\_\_<sup>5</sup> on the island are trips in a submarine – which allow you to explore the island's fascinating coral reefs – Caribbean dancing and a jazz festival held \_\_\_\_\_<sup>6</sup>, early in January. It is also worth travelling along the wild east coast, where, because it faces the Atlantic Ocean, the weather is often \_\_\_\_\_.<sup>7</sup> Sadly, this makes the coast rather \_\_\_\_\_<sup>8</sup> for swimming, in contrast to the calmer beaches on the west coast. Getting round the island is not difficult, as car and bicycle hire is \_\_\_\_\_<sup>9</sup> arranged, and there is an excellent road system, with a very \_\_\_\_\_<sup>10</sup> bus service.
