Przekształcając pytania na mowę zależną używamy czasownika wprowadzającego **ASKED** oraz **zasadę następstwa czasów**, czyli przesuwamy czasy w cytowanym pytaniu o jeden krok do tyłu:

Present Simple zamieniamy na **Past Simple**

Present Continuous zaminiemay na **Past Continuous**

Present Perfect zamieniamy na **Past Perfect**

Past Simple na **Past Perfect**

will na **would**

can na **could**

may na **might**

Ponadto **zamieniamy pytanie na zdanie twierdzące**, czyli likwidujemy inwersję.

Aby połączyć zdanie wprowadzające z przytaczaną wypowiedzią używamy **zaimka pytającego** z przytaczanego pytania lub jeśli w pytaniu nie było zaimka pytającego wstawiamy **IF** lub **WHETHER**

„**Will the teacher help us?**”

wstawiamy zdanie wprowadzające **she asked**

używamy zaimka pytającego lub **IF**

pytanie zamieniamy na zdanie twierdzące **the teacher will help**

will zamieniamy na **would**
