# Delima's Sunday

**Name:****Date:**

Read the passage below carefully and answer the questions on the second page

Today is Sunday. Delima and her friends are going to play on that day. Delima wake up at 5 o'clock and pray shubuh. She helps her mother first to tidy up her bedroom and helps cook in the kitchen. Seeing that her father is having a hard time carrying things to the yard, Delima helps him lift some of the work equipment that he is going to bring. After 6 o'clock, Delima returns to the dining table to have a light breakfast with her family.

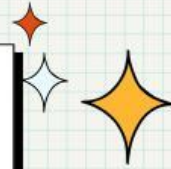

Then, at 6:30, she takes a shower and gets ready. At 9 o'clock she goes to the park near the house to play together with her friends. After that, at 2 o'clock, Delima and her friends go back to their homes. They all look happy. Finally, at 4 o'clock in the afternoon, all of them are home to rest and return to helping their parents' work.
