THE CRAVING

Seems I get in my own _____
The more I think, the _____ I say
I _____ I communicate the craving
Now I see _____ don't mean much
Say enough, say enough
Did I let her know, let her know
If I found my body in chains
I'd lay down in wait
And hope she looks for me
And hope she looks for me
She just wants to _____ a wave
Ride it out to the end of the days
I _____ that I can satiate the craving
Now I see a _____ don't mean much
Say enough, say enough
Did I let her know, let her know
If I found my body in chains
I'd lay down in wait
And hope she looks for me
And hope she looks for me
Ooh-ooh-ooh-ooh (yeah)

Say enough, say enough
Did I let her know, let her know
If I found my body in chains
I'd lay down in wait

'Cause it's the _____ of the unknown
That cripples every _____ we take
And I just _____ to put this on her
But I _____ that I will give
more than I take away
Mm, the craving
Now I see intentions don't mean much
