

## Already – Yet – Still

Already is used to talk about something that happens earlier than expected or before something else happened. It is used in *questions* and *affirmative* sentences.

Still is used to talk about something that is continuing. It is used in *questions* and *affirmative* and *negative* sentences.

Yet is used to talk about something that we are expecting to happen. It is used in *questions* and *negative* sentences, usually at the end of the sentence.

Select the appropriate adverb.
