Listen and Complete the text with missing words

I fantasize to feel you like a \_\_\_\_\_

And all your layers to the fullest

But the heavens won't \_\_\_\_\_ it, mm

You deceivin', \_\_\_\_\_ woman

You're a false \_\_\_\_\_ at the \_\_\_\_\_

The condition of your\_\_ is erodin'

\_\_\_\_\_ me in your skin and bones, yeah, you're electrical

Oh, I'm gonna \_\_\_\_\_, yeah, as you pull me close

\_\_\_\_\_ me in your skin and bones, yeah, you're electrical

Oh, I'm gonna lose control

As your\_\_\_\_\_ shivers down my spine

I hear the Holy One exposin' all the \_\_\_\_\_

Lord, forgive me, I know my flesh needs to \_\_\_\_\_

She has the lips red as cherry wine

A poisonous\_\_\_\_\_, she's part of the swine

My \_\_\_\_\_ won't be sacrificed

\_\_\_\_\_ me in your skin and bones, yeah, you're electrical

Oh, I'm gonna lose control, yeah, as you pull me close

\_\_\_\_\_ me in your skin and bones, yeah, you're electrical

Oh, I'm gonna lose control

But I don't wanna stop, yeah, I just need to see

If your love's the \_\_\_\_\_ or the spirit of \_\_\_\_\_

No, I don't wanna talk, baby, give it all to me

There's honey drippin' from your \_\_\_\_\_

Wrap me in your skin and bones, yeah, you're electrical

Oh, I'm gonna lose control, yeah, as you pull me close

Wrap me in your skin and bones, yeah, you're electrical

Oh, I'm gonna lose control

Wrap me in your skin and bones, yeah, you're electrical  
Oh, I'm gonna lose control, yeah, as you pull me close  
Wrap me in your skin and bones, yeah, you're electrical  
Oh, I'm gonna lose control

But I don't wanna stop, yeah, I just need to see  
If your love's the \_\_\_\_\_ or the spirit of \_\_\_\_\_  
No, I don't wanna talk, baby, give it all to me  
There's honey drippin' from your teeth
