Quarantine life week plague

So no one told your was gonna be this way
Your job's remote, you're broke, you're hiding from the
.....

It's like you're always stuck in
And you might be there a day, a, a month – or
even a year

I'll be there for **you / your**
Washing my hands all **week / day**
I'll be there for **you/ your**
Standing **8 /6** feet away
I'll be there for **you/ your**
'Cause you're there for me **two / too**

.....The Wolt guy brings you breakfast, things are
going great
.....You're still in bed at 10, your boss skyped you at 8
.....The Apocalypse is coming so stay home – keep
watching Netflix
.....Your crazy Uncle's been saying for years

I'll be there for you
Cleaning all surfaces

I'll be there for you
Never touching my face
I'll be there for you

.....No one could ever know me
.....Seems you're the only one who knows
.....No one could ever see me
..... What it's like to be me

Someone to face the **day/ week** with
Make it through all the rest with
Anyone/ Someone I'll always laugh with
Even at my worst, I'm best with you, yeah

It sucks we're all just stuck in Quarantine
And I hope to see you soon, my friends
As soon as we win!

I'll be there for you
To make sure Grandma's OK
I'll be there for you
So Grandpa's dancing every day
I'll be there for you
'Cause you're there for me too.
