[20 marks]

You should spend about 25 minutes in this part.

Read the message from your brother who lives in another part of the town with his flatmates.

Hi,

Mom's birthday is around the corner. What should I get for her? A bouquet of flowers, a brooch or a handbag – or should I get something else?

Let me know what you think!

Mike

Hi Mike,

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on its right side, suggesting it's resting on a surface.
